Simply Cremations has explained to me that to cremate, we must wait a minimum of 48 hours after death, the death certificate must be signed by the attending physician and the medical examiner must give approval as required by Florida Law.

Once these three requirements are completed, the cremation will be handled by Simply Cremations within 48 hours, which is required by Florida law.

I understand that due to the nature of the cremation process any valuable materials, including dental gold will either be destroyed or will not be recoverable. Any personal possessions will need to be removed or they will be destroyed. I further agree that I will indemnify and hold harmless the Direct Disposer establishment (Simply Cremations), the Crematory, and Funeral Director, and any employees from any liability, cost, expense or claims resulting from this authorization.
